TOUR INTRODUCTION

It is a unique opportunity to discover the amazing Mongolian Gobi Desert in winter, which very

few tourists have done and Mongolian Gobi is a great winter destination for experiential travel, offering stunning landscapes and natural beauty.

On this tour, we will visit Tsagaan Suvarga, the hottest travel destination with unique natural formation, walk in the beautiful icy Yol Valley, hike to the

top of Khongor sand dunes and discover Bayanzag or Flaming Cliffs, a site famous for the remains of dinosaur that lived here 60 million years ago. Also, we will visit Terelj National Park, rock formations erupt out of the snow and ice against a backdrop of pine covered mountains flowing down to valleys dominated by frozen rivers. This winter Gobi Desert and Terelj National park tour can be an unforgettable adventure with lasting memories of you. Come and enjoy the trip!

DETAILED ITINERARY

Day1. Arrive in Mongolia (L)

We will pick you up from the airport. We will visit Gandan monastery, the first temple was built in 1837 and was center of Buddhist learning in the Mongolia, Mongolian National history museum and Sukhbaatar square. Stay in hotel*** “Hotel Nine”

Day2. Drive to Tsagaan Suvarga (B/L/D)

Today we will drive to Tsagaan Suvarga. The scarp of Tsagaan Suvarga is located in Ulziit soum of Dundgobi province. It is interesting to see the sheer slope, facing east, which from cliff is 30 meters high and 100 meters wide. Over thousands of years the wind has created this amazing structure. Stay in ger guesthouse (about 470

kms- About 7 hours driving)

Day3. Drive to Yol valley (Vulture Canyon) (B/L/D)

In the morning, we will drive to Yol Valley (Vulture canyon), which nestles between the beautiful peaks of Gurvansaikhan of the Three Beauties. The national park is a home for many wild animals such as the Siberian ibexes, Argali, snow leopards, lynxes, foxes, wolves, and especially the Lammergeiers. The valley is named after by

an old vulture called Yol (in Mongolian) or Lammergeier (in English). Yol is the highest flying (4000m), and yet one of the biggest birds in Mongolia with a wingspan of 2-2,5 m. After arrival at the Yol valley, we will take 1-1.5hour hike through the valley with has formation of ice starts around December. Overnight at hotel “Khan-Uul” in Dalanzadgad (about 300 kms- About 5hours driving)

Day4. Drive to Khongor sand dunes (B/L/D)

Today we will drive to Khongor sand dunes, stretch lengthwise about 180 kms. The sands have

attractive curves which end in a sharp edge, making wave like patterns on the sand. They continually change shape due to wind and reflect yellow-white colors as the intensity of light changes during the day. As the sand is moved due to winds or is in the process of collapse due to small avalanches, a strong sound is made giving it the name "Singing Sands". We will hike to the top of the sand dunes.

Camel riding is optional. It is 15USD per person per hour. Overnight in guesthouse (about 250 kms-About 5 hours driving)

Day5. Drive to Bayanzag or Flaming Cliffs and fly back to UB (B/L)

Today we will drive to Bayanzag area. Known as a Flaming Cliffs "Cradle of Dinosaurs" this is where the first nest of dinosaur eggs ever discovered was found in 1922. A site famous for the remains of dinosaur that lived here 60 million years ago. You can walk around where dinosaurs once roamed and see saxaul trees and other classic desert vegetation. After exploring the place, we will drive back to

Dalanzadgad and take flight to UB at 5.30pm. Stay in hotel*** (about 250 kms-About 5 hours driving+1 hour flight)

Day6. A day trip to Terelj National Park and Chingis Khaan Statue (B/L)
